

Electric range

Technical features

The range is made of 3 models: 4 round plates on electric oven, 2/4 round plates top

The external structure and the work top are in stainless steel. The ergonomic knobs are heat resistant. The profile of the side panels cover fitting edge and align and join more than one unit.

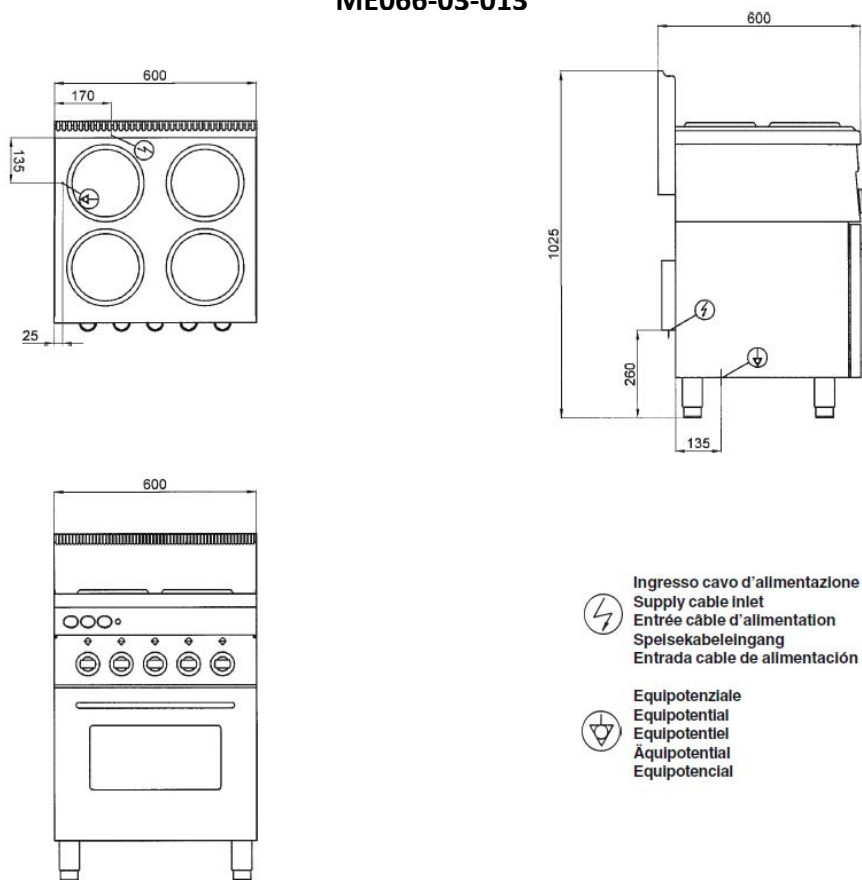

Chimney in stainless steel. Quick heating cast iron plates with safety device against overheating. Warning light indicating plates working

Electric oven : multi function with grill. Internal lighting. Door with double tempered glass. Adjustable thermostat 0-250°C.
