

Pasta cookers

Technical features

Range made of 1 electric model top and 1 gas model top.

AISI 304 stainless steel tank, easy to clean, with rounded corners. Chromium plated steel basket with no-heat hand grip. Water delivery and drain taps.

Gas heating: high-performance burner. Safety device and thermocouple for automatic stopping of gas supply. Automatic lighting with pilot burner and piezoelectric device

Electric heating: Incoloy stainless steel heating elements. Safety thermostat for stop without water

	DIMENSIONS	PAN CAPACITY	POWER		WEIGHT
	W x D x H cm	Lt.	GAS kW	ELECTRIC kW	kg
GAS					
MG066-03-008	60 x 60 x 27/46	30	11		35
ELECTRIC					
ME066-03-008	60 x 60 x 27/46	32		9	38
