

# EKKCN 423

## CONDENSATION HOOD FOR OVEN MOD.EKF 423 NT UD

To ensure proper ventilation in the kitchen, Tecnoeka has come up with the EKKCN 423 condensation hood, which can be directly coupled to the oven. It offers fully automatic operation, making it easy to use. Enjoy energy efficiency and environmentally sensitive design, while still benefiting from unbeatable extraction power.

### DIMENSIONAL FEATURES

|                                         |     |     |     |
|-----------------------------------------|-----|-----|-----|
| Condensation hood dimensions (WxDxH mm) | 590 | 906 | 255 |
| Condensation hood weight (kg)           | 37  |     |     |

### ELECTRICAL FEATURES

|                   |                   |
|-------------------|-------------------|
| Power supply (kW) | 0,2               |
| Frequency (Hz)    | 50/60             |
| Voltage (Volt)    | AC 220/230        |
| N° of motors      | 1 Monodirectional |

### PLUS

|                           |
|---------------------------|
| Controlled by the oven    |
| AISI 304 internal chamber |

### FUNCTIONAL FEATURES

|                         |                        |
|-------------------------|------------------------|
| Power                   | Electricity            |
| Control panel           | Controlled by the oven |
| Maximum air flow (m3/h) | 600                    |
| Minimum air flow (m3/h) | 400                    |

### EQUIPMENT

|                                     |                                   |     |      |
|-------------------------------------|-----------------------------------|-----|------|
| Cardboard box dimensions (WxDxH mm) | 690                               | 980 | 330* |
| Cable with Schuko plug              | Single-phase [3G 1,5] - L=1600 mm |     |      |
| Filter                              | Nr. 1 labyrinth filter            |     |      |
| Water pipe                          |                                   |     |      |
| Chimney Ø 120 mm                    |                                   |     |      |

\*without chimney

### OPTIONAL

|                    |                                        |
|--------------------|----------------------------------------|
| Optional packaging | Europallet HT treated (800x1200x118mm) |
|--------------------|----------------------------------------|
